Jeaneanne,

Attached are my comments/notes. In addition to other notes and edits, I highlighted a number of places in the document where you all used legal notation for cites. This may be the way we respond to comments, in which case just ignore my highlighting, but in the event it is not, this may help catch those.

Generally, I was struck by the scope of the work you all have undertaken as you've worked through this package. It is a very impressive effort. Thanks to you and the whole team.

Mary

Deliberative

Dave, David, Susan and Mary,

Attached is the draft Response to Comments on the State of Florida's Program Submission Requesting to Assume the CWA Section 404 program. This document reflects input from OW, OGC, OECA and Region 4 (WD and ORC) and has been forwarded to the Office Directors for their review. I am sending it now to provide the maximum amount of time for your review. The document may still have some editorial issues (e.g., there a comment bubble that we are working to remove) and formatting errors. We are continuing to review and address those issues.

Within the document itself, we have highlighted and inserted comment bubbles to identify the sections that you received earlier for review. Please let me, Tom McGill or Rosemarie Kelly know if you have any technical difficulties with the documents. Once we receive your comments we will revise the document and start the final routing process, along with other documents.

During our call tomorrow, we will provide you with updates on any remaining documents and timing for finalizing materials.

Thanks

Jeaneanne
